

JEFFREY HUENINK
CEO/CFO/Partner

A Finance and Marketing graduate from the University of South Florida (USF), Jeff has always been a serial entrepreneur at heart. Before joining Sea & Shoreline as its CEO & CFO, Jeff founded and managed several businesses, including an Initial Public Offering that was listed on the New York Stock Exchange, and the Florida Fixed Income Trust, built on the principles of security, diversity and simplicity for government investments. In addition, he held top executive positions for Sun Services of America/Mac Gray, JJJ Homes-Inland Homes Orlando, and Suncoast.

Jeff went on to serve as a member of the Florida State House of Representatives, where he championed several environmental projects. Following both his passion and knowledge for environmental restoration efforts, Jeff joined Sea & Shoreline to oversee the legal, financial and business operations of the business.

Throughout the years, Jeff has served on numerous community and international boards including Moffitt Cancer Center and Three Strand Cord. He's also been named as an outstanding alumni of USF's College of Business. In addition to his commitment to helping clean up Florida's waterways, Jeff's favorite hobby is spending time with his wife Heather and 11 grandchildren.

About Sea & Shoreline, LLC

Sea & Shoreline is the foremost expert in transforming corrupted aquatic environments into healthy, thriving, and sustainable ecosystems. Based in Florida, Sea & Shoreline has completed more aquatic restoration projects than any company in the world using scientifically validated processes and patented technologies. Sea & Shoreline operates its own seagrass aquaculture nursery and provides services that include dredging; seagrass/submerged aquatic vegetation restorations; propeller scar restorations; oyster, coral and artificial reefs; living shorelines; vegetated retaining walls; wetland plantings; and seagrass mitigation banking.
